## DESCRIPTION

"Offering stunning exterior space and superb volume with a flexible interior where all cabins other than the Master can be twins or double, St David is the perfect choice for family cruises, corporate events or picturesque cruising" Geoff Moore, Managing Director

Awarded ‘Best Charter Yacht’ by Robb Report in 2009, she is innovatively styled both inside and out and showcases a study of artisanship in every respect. Her opulent interior sleeps up to 12 guests in six impressive staterooms including a magnificent master suite, one VIP staterooms and four doubles. Split over two levels, the master suite features a sumptuous lounge area with bathroom with a raised bedroom for the ultimate in privacy and luxury. With panoramic views and beautiful staircase she offers a truly unique charter experience.

Throughout her interior living spaces intricate craftsmanship is finished to the highest standards, evident in her beautiful mosaic floors, sculptured tables that rise and fall, detailed marquetry and magnificent sweeping spiral staircase. The Baroque style architecture and Italian Riviera style creates a lavish atmosphere on board whilst a floating staircase which spans 3 decks is topped by a skylight and peeks into the bottom of the sun-deck pool to add an element of design pedigree and interest.

Outside, her decks are equally impressive with her sundeck offering shaded areas for comfortable relaxation, a large pool, and a huge entertainment area. Her experienced owner endeavoured to build a superyacht that would cater to all ages and vacation types. From watching movies under the stars at the outdoor cinema and trying out all manner of watersports to partying the night away with friends in her private nightclub, St. David offers a charter experience like no other.
