AB 110

33.70m (110'6"ft) | 2025

DESCRIPTION

This 33.7m AB Yachts motor yacht combines high-performance engineering with contemporary Italian design. Created by Studio Archea, the AB 110 is defined by her sleek lines, powerful profile, and impressive top speed of 41 knots.

Spacious and versatile, she accommodates up to 10 guests across four staterooms, including a full-beam Owner's suite, a VIP cabin, and two twin cabins with both pullman and sliding beds — an ideal layout for family cruising or entertaining. Separate crew accommodation for four ensures discreet and efficient service onboard.

Powered by triple 2000hp MAN engines with MJP waterjets and constructed from lightweight materials, she delivers exceptional speed, manoeuvrability, and performance.

Modern features include a Seakeeper 26 gyroscopic stabiliser for enhanced comfort at sea, an integrated SEASYacht bridge system, low-emission glazing, Starlink predisposition, and full 5G Wi-Fi connectivity.

Combining technical innovation with striking design, the AB 110 offers a dynamic and luxurious yachting experience.
