

Aegir

25.10m (82'4"ft) | Carbon Ocean Yachts | 2011

Aegir

AEGIR, the 82 feet Maxi-Yacht built by Carbon Ocean, is a comfortable and luxurious cruiser capable of transforming into a weapon on the race track. She is a state of the art success in her category, having achieved both of her goals in the Caribbean and the Mediterranean, and having twice won the Rolex Maxi Yacht Cup in her class (2012 and 2013).

ÆGIR

25.10m (82'4"ft) | 2011

DESCRIPTION

Winner of the International Superyacht Society Design Award, Boat of the Year 2011, ÆGIR is available for both cruising and racing charter, ready to make an impact in both worlds, and leave you with unforgettable memories!

The aim of her design is to maximise the pleasure of sailing. She has flush decks and an aft steering position, meaning that in every wind condition, whether in light wind where she excels thanks to her powerful sail plan and high tech Carbon construction, or whether when the wind picks up, and she takes off !

At anchor, the large transom and swim platform open out on the ocean, and the cockpit table comfortably accommodates six guests, protected by a retractable spray-dodger and big sun awning.

The interior is modern and spacious between the saloon and the galley, with a rise-and-fall table that converts a formal dining area into a relaxed lounge with home cinema and music entertainments.

The owner's suite is amidships and features a large bathroom with a wet room shower. This suite can either be full beam or closed-off with the use of soundproof pocket doors that create a corridor to the VIP suite, located forward.

The twin cabin is located on the starboard aft, with its own ensuite bathroom.

Racing : ÆGIR is fully equipped with North Sails 3DL wardrobe, Spinnakers and Code 0 on the huge bowsprit, racing boom.

Fully diet for maximum weight gains and performances, ÆGIR becomes a highly competitive racing yacht for the Giraglia Rolex Cup, Maxi Yacht Cup, the Loro Piana, Copa del Rey and the Superyacht circuit!
