# AFRICAN QUEEN

36.60m (120'0"ft) | 2009

---

## DESCRIPTION

Her cool, sophisticated interior is defined by pale wood and natural colours, with comfortable, understated guest areas and a relaxed vibe. The main salon's pale sofas, contemporary armchairs and chic glass coffee table create an eye-catching first impression as guests step on board. The dining area with its glass round table and tan leather laced-back chairs is aft of the main saloon, creating an intimate space for family meals or entertaining.

Wide sofas and a day bed in the bridge deck saloon are the ideal place to watch a movie or take refuge from the sun, and the crew are always at hand to serve drinks from the nearby bar. Take dinner al fresco on the spacious aft deck, or relax on the sun loungers and a choice of seating areas. The sun deck was designed with plenty of sunbathing space, including a bank of sunbeds facing aft and a semi-circular seating area forward offering incredible views out to sea.

AFRICAN QUEEN provides luxury accommodation for 10 - 11 people in five cabins. The luxurious forward-facing master suite on the main deck offers a 180 degree panorama of the ocean, while maintaining complete privacy. On the lower deck, a further two double cabins and two twins, one with a pullman berth, all have en suite bathrooms, televisions and the latest technology.

The luxurious 7.6m tender boasts a sun pad and swim platform, giving easy access to any bathing area, and the yacht is an approved RYA training centre, allowing guests to become certified to use the waverunners while on board.

---
