## DESCRIPTION

She was originally built in 2002 before undergoing a refit in 2014 leaving a stunning example of an extremely successful charter yacht.

Her exterior styling, designed by Stefano Naticci offers classic Italian lines gleaming in white and navy, sure to turn heads when arriving in port. Inside, her light and spacious Terence Disdale-designed interior is a cool and contemporary inviting space where natural hues and pale woods create a calm and tranquil space. She is laid out over four decks boasting an impressive sun deck complete with jacuzzi, sun lounging space, fully shaded dining facilities and BBQ area. Elsewhere, guests are encouraged to leisurely relax in the spacious saloon or try out the vast array of water toys including waverunners, water-skis and wakeboards reached via the large swim platform.

The yacht has a maximum speed of 16 knots, making her a great choice to island hop. The crew on board Alexandra has extensive experience in the Eastern Mediterranean and a record of very successful charters. An ideal choice for a family or group charter.
