## DESCRIPTION

The Owner, Captain and Crew collaborated with Westport to redesign the Galley with an island layout for a cleaner traffic pattern between the Chef and the stew, for meal service.

The Owner's Stateroom was also tweaked with additional hanging lockers and a custom wine cabinet; as well as a custom Dressing Room, and Head layout with a separate water closet/head.

All of the outdoor areas are unique as well. The Aft Deck offers an expandable table for dining. The Boat Deck has an expansive area with Teak furniture and the Skylounge door opens, extending the indoor/outside space.

Forward of the Pilothouse, on the Portuguese Bridge, a custom bench seat with storage below. Two Teak Hi/Low tables= (highgloss) and a giant sun pad, all with the option to be covered by Gypsy awnings mounted with removable Carbon Fiber poles.

The Upper Flybridge Deck is the ultimate area for entertaining, or a formal sit down dinner, for you and your guests to enjoy a 360° view. A large Hot Tub all the way forward allows you to enjoy the view as well.

"W" is also the only 40 Meter Westport to have the Naiad Fin AtRest Stabilization, along with Gyro Stabilization, making her extremely stable at anchor.

Every aspect of this custom 40Meter Westport is a true testament of an experienced Yachtsman, working with the Westport Shipyard, pushing the envelope to raise the bar
