ACCOMMODATION

Entering from the aftdeck, Amigo features a very spacious and bright saloon, a centrally located galley with dinette between the saloon and the wheelhouse. The wheelhouse can be opened, or closed for privacy.

The yacht offers accommodating up to 14 guests. A staircase aft in the saloon leads to the master suite while a forward staircase opens up to four equally sized guest staterooms consisting of two doubles and two twins, all with Pullman berths and all with full en suite bathroom facilities. One of the forward guestcabins can be used for crew.

The interior is in pear wood throughout the yacht.

Both the aft deck and the flybridge are expansive and offer ample seating and options for al fresco entertaining and dining.

New 2,000hp MTU engines with a range of 1,800 nautical miles at 12 knots were installed in 2007.

Amigo received a full paintjob in 2010 and in the winter of 2015 paintwork was refreshed at Moonen Shipyard. She was also serviced and has new antifouling and anodes so Amigo is in excellent condition, both cosmetically and technically.
