ANDREAS L

60.00m (196'10"ft) | 2008

DESCRIPTION

Redman Whiteley Dixon and Benetti are the luxury brands that have produced the platform from which to enjoy time with family and friends or impress somebody special. Andreas L has been described as the "Ferrari of the Sea" - but without the noise !

Andreas L has fifteen professional crew dedicated to the party of twelve's pleasure, whether discreetly serving up an exotic dish for lunch on the aft deck or giving a soothing evening massage in the treatment room - perhaps after working up an appetite in the sun deck gym or playing with the finest collections of water toys on the market today.

A master, VIP, two doubles and two twins cocoon guests in their private space, each suite finished in the finest natural materials and colours, offering a good view at anchor and top audio-visual entertainment and communications systems.

The illuminated Jacuzzi, surrounded by an endless supply of fluffy towels, is one of many spots where bon viveurs aboard Andreas L can come together, cocktails to hand, before retiring for the night. One more day lived to the full.
