ANNE VIKING

25.60m (83'11"ft) | 2004

DESCRIPTION

Experience the wild and spectacular nature up close aboard the 25-meter Princess yacht ANNE VIKING: 2,000-meter high mountains, 1,000-meter tall cliffs and 1,300-meter deep fjords. ANNE VIKING cruises in narrow waters and will take you close to waterfalls, cliffs, old fishing villages and historic sites. A ride on the world's steepest railway and glacier exploring are some of the activities offered onboard. Guests can also go fishing with experienced fishermen on fjords and rivers. The Captain can organize kayaking, sea rafting, horse-and-buggy rides and a tour of a Norwegian fish farm. He can also arrange for guests to see the fjords, mountains, waterfalls and glaciers from a helicopter or seaplane. ANNE VIKING is designed to provide a pleasurable and eventful holiday in the West Norwegian fjords. The lounge is fitted with clear-varnished cherry wood paneling, light carpeting and comfortable furniture. It has panoramic windows, which provide natural light and magnificent views. The lounge features a fully integrated audio visual system incorporating 42" plasma TV, home cinema, DVD and multi disc CD player. Forward of this spacious lounge is the dining room, which seats eight guests comfortably. The vessel has a large aft deck also seating eight where guests can dine or enjoy a glass of wine while watching the soothing Norwegian landscape. The large fly bridge also boasts comfortable seating as well as a bar, grill, sun lounger and a bimini top. The crew aboard ANNE VIKING is experienced and has a wide network of contacts along the entire coast. They will do their utmost to give guests a most pleasurable cruising experience. The highly trained chef and steward/stewardess serve the very best of Norwegian and international cuisine at all times. The Norwegian hospitality will make your stay onboard ANNE VIKING an exclusive and memorable cultural experience and a relaxing holiday.

ACCOMMODATION

The vessel is custom built, with two large double cabins and two twin cabins. All cabins have their own en-suite bathroom as well as a TV and CD/DVD players. The vessel has wireless Internet access throughout as well as air conditioning.
