Argyll

46.63m (152'11"ft) | North American Yachts and Shipbuilding | 2002

Argyll

Motor yacht Argyll is a bright and stylish superyacht offering luxurious charters in the Caribbean. Built in 2002 by North American Yachts, she was built as the first wheel chair accessible yacht and has an interior elevator to all decks, wide hallways and doorways. The 46m sleeps 10 guests in five cabins and boasts nine professional crew.

ARGYLL

46.63m (152'11"ft) | 2002

DESCRIPTION

Sporting traditional wood and swathed in bright blues, creams, reds and stunning patterns, the interior décor of Argyll is warm, welcoming and nothing but first-class comfort. The main salon is a top spot for sociable entertainment with its bar, games table, entertainment centre and plush lounges. Guests can dine in the formal dining room for 10 or head outside to the covered aft deck with al fresco dining for 10, wet bar, and cushioned seating area.

The master suite onboard Argyll is particularly impressive above on the upper deck and provides an unsurpassed place for privacy and relaxation. For the rest of the guests however, the scenic deck also houses a library and flat screen TV in the Pilothouse.

Crowning the luxury vessel is the sun deck and fully-equipped skylounge. Sun-worshippers will adore the Jacuzzi pool, deck chairs, wet bar, and vast sunbathing space on the sun deck, while an exercise area can also be found on deck.

Argyll has a maximum speed of 16 knots and cruises comfortably at 12 knots. Featuring a dedicated crew of nine, she is an excellent charter yacht for luxury vacations.
