DESCRIPTION

ATALANTE, the second vessel of the Truly Classic 90 sailing yacht series, showcases the remarkable collaboration between architect Hoek Design and Dutch builder Claasen Jachtbouw. Throughout her sailing journey, ATALANTE has established herself as an exceptional family cruising yacht, offering a harmonious blend of generous interior and exterior spaces without compromising on performance.

Having ventured into various regattas in both the Caribbean and Mediterranean, ATALANTE has earned a well-deserved reputation. Notably, she achieved back-to-back victories in the Hoek Design Cup in 2012 and 2013 and secured an impressive second place overall in the Palma Superyacht Cup in 2013.

The interior of ATALANTE is extensive and thoughtfully designed, featuring alfresco living areas that encourage social gatherings. The central cockpit serves as a hub for guests to come together, while the aft cockpit caters to sailing activities. Additionally, ATALANTE boasts a drop-down platform positioned amidships, providing easy access to the tender and facilitating water-based activities.

A true cruising delight, ATALANTE offers an inviting layout highlighted by a spacious owner's cabin and two luxurious guest cabins. Notably, extensive refits in 2014, along with a major overhaul in 2022, have meticulously maintained and enhanced her charm, resulting in beautifully designed and adorned cabins and an overall sleek appearance.
