42.60m (139'9"ft) | 2010

DESCRIPTION

Her refitted interior and exterior are both inspiring and spacious. The Italian-styled interior is contemporary in design with a superb layout for charter. She was, however, built for al fresco living and her generous deck areas can play host to a range of activities - be it sunbathing, relaxing on one of her sumptuous lounging areas or dining in the shade. The extensive sun deck houses a raised jacuzzi surrounded by sunpads, own circular lounging areas, and a bar. The upper deck is equally inviting and offers indoor/outdoor living with full width glass doors from the sky lounge opening to the upper aft deck and a large outdoor dining and seating area. For more formal occasions she has an elegant dining area on the main deck adjacent to the main saloon.

With large side windows on all decks, she offers magnificent panoramic views from inside as well as from her spacious deck areas. She offers a plethora of facilities including a large swim platform and gymnasium, also located at sea level, allowing guests to take a cool dip after a work out. She also boasts a selection of fun water toys ideal for a family charter.

Inside, five luxurious cabins comfortably accommodate up to 11 guests. The master cabin is located on the main deck and boasts a walk-in wardrobe, sofa area and his and hers en suite shower room. The lower deck accommodates two VIP cabins, one double cabin and one twin cabin.
