AWOL

37.44m (122'10"ft) | 2009

DESCRIPTION

Launched in 2009 with a refit in 2018, she combines speed and style, reaching 17 knots, for true on-water living.

Indoor-outdoor flow is a key part of the model's design. The upper deck is home to a sky lounge and bridge, with an alfresco dining area aft, while the flybridge is an incredibly popular space with sun loungers and Jacuzzi. The aft main deck boasts yet another large exterior space, and further sun loungers can be found on the yacht's bow.

Powered by twin CAT engines she cruises comfortably at 14 knots, with her many amenities including NAIAD zero speed stabilisers.

ACCOMMODATION

Her exterior and interior design is by Francesco Paskowski. The main deck is home to a spacious owner's suite, with four additional guest cabins located on the lower deck. Generous communal spaces include a large main salon, including a formal dining set up and spacious seating areas.

TENDER & TOYS

2 x Inflatable SUP with 4 x paddles

2 x Seabob with fast charger
