## DESCRIPTION

This luxury raised pilothouse motor yacht features two classic decks and an upgraded, modern interior, which was the product of a 2015 refit. Beachfront has a solid Bahamas charter following.

The interior refits ensure the layout flows well and is well suited for any type of owner or guest. Beachfront has the latest in entertainment technology, including an onboard theater, 500-plus movie collection and expansive song library. Airplay is available throughout allowing those aboard to listen to their chosen music virtually anywhere on the yacht.

The deck spaces of Beachfront are comfortable and well suited for alfresco living; covered and uncovered areas are available. Beachfront also offers an array of tenders and toys, including, a 32-foot Intrepid tender with fishing gear, WaveRunners, kayaks, paddleboards, water skis, snorkeling gear and more.

## ACCOMMODATION

Beachfront benefitted from not only a full interior refit in 2015, but also one in 2010. During the earlier refit, the crew accommodations were relocated from the bow to the stern to allow for two extra staterooms forward. She now offers accommodation for up to 10 guests in five staterooms, including an en-suite VIP forward, a full-beam master with double walk-in closets, a lounge and his-and-hers en-suite, and three additional staterooms; all are en-suite.
