BELLAMOR

35.37m (116'0"ft) | 2013

DESCRIPTION

Interior and Exterior design are both the work of Fulvio De Simoni. He brings minimal and modern decor throughout and there is good space for entertaining and relaxing.

Inside, there's a full-beam salon with dining for eight just below the helm station, plus plenty of comfy sofas facing a large TV screen, though for film nights guests may prefer to head to the private cinema - an unusual feature for a yacht of this size.

There is built-in seating on the aft deck with a table for alfresco dining. There is also direct access from here to the swim platform for days when you'd like to take a sea dip, jump in the tender or try out one of the garage toys, which include a Yamaha SuperJet waverunner and a Seadoo RXP Jet Ski.

For lazier days, guests can head up to the flybridge where there is a bar and sun loungers, plus an additional helm.

ACCOMMODATION

Bellamor can accommodate up to eight guests across four cabins, including a master cabin, which comes with its own steam shower, a VIP suite and two twin cabins. Each cabin is fully equipped with an entertainment system and LCD TV screen and there is also room for up to five crew.
