BLISS

44.17m (144'10"ft) | 2007

DESCRIPTION

With a striking black aluminum hull and a matt grey superstructure, Bliss is a semi displacement yacht with great performance and can go up to 25 knots powered by twin MTU 16V 4000 M90.

She features cool and contemporary interiors designed by Icelandic designer Ingibjorg St. Palmadottir and is maintained in mint condition and to the highest standards all year around.

Bliss can accommodate 12 guests in 5 well-appointed cabins with a configuration comprising of 4 double and 1 twin with a Pullman bed. The upper salon can be converted to be used as an extra guest cabin with a Pullman king size bed.

She can also accommodate 10 crew members to ensure the best luxury experience on board. The yacht is equipped with a modern and sophisticated stabilization system which decreases the rolling motion and enhances comfort on board while cruising.

Bliss has generous interior volumes and plenty of outdoor guest spaces for relaxation. She also features a sundeck Jacuzzi, Sauna, 13-meter escort Tender and has an extensive list of toys to keep guests entertained at all times. A perfect combination of Dutch quality and class, Bliss is an ideal charter vessel for anyone who expects utmost comfort and luxury on the sea.
