## DESCRIPTION

Designed by the renowned Italian studio Stefano Righini, with interiors crafted by the yard's in-house team, BLOOMS is one of the best Overmarine vessels currently on the market.

Her main deck features a large Jacuzzi aft, which can be covered while underway to create a spacious sunpad. The forward area offers open-air dining with the option of shade from a retractable awning, as well as sofa seating on either side of the entrance to the main saloon.

The main saloon boasts sofas, armchairs, and a large TV that pops out from a cabinet, dividing the saloon from the forward dining area. The roof of the main saloon is retractable, allowing for an indoor-outdoor experience with natural light and fresh air at the push of a button.

The lower deck of BLOOMS features a multi-purpose room with a corner sofa for relaxation, complete with a large drop-down screen that can transform the space into a cinema room.

There is also a bathroom with a shower in this area.

Powered by twin 2,774hp MTU diesel engines, BLOOMS boasts an impressive top speed of 32 knots and cruises comfortably at 28 knots, making her perfect for exploring archipelagos such as the Balearics, Croatia, and Greece. With a shallow draft of 1.9 meters (6.2 feet), she is capable of anchoring in secluded spots that are inaccessible to yachts with deeper drafts. The addition of zero speed stabilisers in 2021 ensures a comfortable experience at anchor.
