CREW

Chris Marsicano

Second Officer

Chris is a 10 year veteran of the yachting industry having served on various yachts over the years; he finally decided to go home and take the plunge 2 years ago, but not content to sit on the couch yet he brought his new bride state side 2 years ago and now they both work on Blue Moon....

Hans Aliaga Lopez

Bosun

Hans met up with the Blue Moon 4 years ago in St. Maarten where he was the top rated day worker of his day. His hard work finally paid off 2 years ago when he joined the boat's permanent crew as deckhand. Not content on resting on his laurels Hans worked his way up to the Bosun's...

Tim Hull

Deckhand

Tim only recently came from the west coast of Australia to seek his fortune. Even though he is relatively new to the industry he is a quick and enthusiastic learner and can already hold his own with the industry veterans. Tim is another gear head with an interest in monstrous Australian...

Emile Bootsma

Captain

Emile has been the owner's captain for the last 13 years and has captained all three of his vessels named "Blue Moon". With the last two he was heavily involved overseeing the construction and was responsible for writing the final specification. Born in Cape Town and educated at...

Johan Harris

Chief Officer

Johan has also worked on all three Blue Moon's, and has only recently come back to the yachting industry after being involved in the marble counter top business for the last 7 years. Johan's passions run toward anything with an internal combustion engine, but specifically German cars and...
