## DESCRIPTION

24.03m CAPRICORNO is a 'masterpiece of design and technology'.

Most recently refitted in 2020 to a luxurious, go-anywhere performance cruiser, CAPRICORNO now boasts a complete restyling by Nauta Design. She is one of few superyachts on the market today that boasts a series of successes in some of the world's most competitive regattas, as well as a history of worldwide cruising.

Starting her life as a pure racer named MORNING GLORY, CAPRICORNO was one of the first yachts to be built in pre-preg carbon. Both her mast and rigging has also been built in carbon fibre, and she features a set of 2021-22 sails by NORTH SAILS, as well as a new bulb and a new rudder blade.

CAPRICORNO is a highly successful, multi-award winning sailing superyacht, and now perfectly suited to welcome her new owner onboard.

---

## ACCOMMODATION

CAPRICORNO offers accommodation for up to six guests comprising one owner's cabin and two twin cabins. She is also capable of carrying up to two crew onboard to ensure a relaxed luxury yacht experience.
