CARMELLA

28.17m (92'5"ft) | 1999

DESCRIPTION

Carmella was awarded the Best Sailing Yacht Interior by the Superyacht Society in 1999. Her Redman-Whitley designed, Herreschoff interior is an elegant blend of classic and art-deco styling, crafted with varnished, matched grain walnut and accented with raised-panel upper bulkheads.

Her low-profile raised pilothouse has a full helm/navigation/communication station with 360-degree visibility and comfortable seating.

On deck, the sailing yacht’s powerful carbon fiber ketch rig is engineered for simple handling with fully hydraulic winches and furling. Her comfortable center cockpit surrounds a teak dining table and helm area with full instrumentation and controls make it the ideal spot when underway. Carmella’s elegant profile, with bright varnished teak accents, turns heads in every port of call. She has always been maintained to the highest standards.

ACCOMMODATION

Sailing yacht Carmella features a full-beam master stateroom aft with an adjoining private owner’s cockpit, plus two twin guest staterooms with en-suite heads. The sailing yacht’s spacious interior features a full-beam main salon and professional galley with a comfortable bar area that allows for easy entertaining.
