CHASSEUR

48.80m (160'1"ft) | 2016

DESCRIPTION

Serene neutral tones are complimented by splashes of vibrant color in the luxurious textiles and accessories. Walls are milk glazed figured sycamore and the teak interior flooring perfectly accented with holly inlays and plush silk/wool area rugs. Handcrafted rosewood case goods are book-matched as are the splendid shagreen panels in the china cabinet separating the dining and main salon. Ingeniously placed, dimmable lighting throughout the yacht creates an unforgettable ambiance; the best of this is in the main salon/dining area where the walls between the large picture windows are discreetly backlit.

Formal dining is a "must experience" at the magnificent Armani custom table; the gorgeous china sliding door panels in shell with chrome borders are the perfect backdrop and close off the area for privacy. The gently curved stairwell is a sculptural work of art showcasing floating glass treads with woven leather walls and an impressive 1.8m high Mathieu Nab Azove wood sculpture in the guest entryway.

Beautifully appointed accommodation for 12 guests in 6 cabins include a full beam master suite with office and daybed, and spacious VIP with Hermes Jean-Michel Frank club chair in natural shearling. Guest en suites boasting exotic onyx, sourced from around the world, all have under floor heating.

Perfect space planning allows CHASSEUR to offer a wide selection of chic, yet comfortable, seating and lounging options both inside and out. The substantial sky lounge and sun deck bars are composed of backlit crystal agate and mirrored glass and are ideal social gathering spots. Al fresco dining is offered in 2 places on the bridge deck aft. The sun deck features a large centerline jacuzzi, sun pads, BBQ, sun loungers and bar - ideal for both entertaining and relaxing.

Rounding off the many features, CHASSEUR has a 4 person elevator serving all decks.
