CUDU

27.40m (89'10"ft) | 2007

DESCRIPTION

Launched in 2007 Cudu is in excellent technical and cosmetic condition, the owner having made considerable investments before the season: decks were recaulked, interior wood was refinished, shafts and props were balanced, paint was redone where necessary, exhaust risers were replaced in addition to normal pre-season servicing of engines and generators.

Cudu is also MCA certified and has completed her 5-year survey. With the optional 2nd crew cabin she can accommodate up to 4 crew members and therefore also has a strong charter potential. Her interior is finished in a very trendy bamboo and is airy, spacious and contemporary in feel.
