DESCRIPTION

This is an eye-catching 2018 Ferretti Custom Line 108 luxury motor yacht presented for sale in turnkey condition. Built to RINA requirements, this five cabin flybridge yacht will turn heads with her stylish lines, and please guests with her luxurious appointments and spacious layout. Twin MTU 16V 2000 M96L engines produce 2638hp each, and have less than 200 hours on the clocks.

Whether guests are seated at the sleek bow lounge area, the spacious aft cockpit, or the expansive flybridge (complete with BBQ grill and large walk-up bar), there are many options for outdoor fun. As a useful feature, the yacht's transom can fold outward, revealing a large teak-laid swimming platform with easy access to the ocean. Inside the yacht's large saloon and comfortable cabins, upgraded Kohler generators will keep all systems running and tropical air-conditioning will keep guests cool, even on the hottest of summer days. This immaculate yacht is waiting to welcome a new owner onboard for cruising adventures around the world.

ACCOMMODATION

With a five cabin layout, each guest stateroom is meticulously appointed to Custom Line's impeccable standards. Zuccon Int. Project has designed a cool and contemporary interior on the Custom Line 108, where state-of-the-art entertainment fittings meet large windows and plenty of natural light.
