# DIANE

43.00m  (141'0"ft) | 2007

## DESCRIPTION

Spend long sun-drenched days on deck, toasting on sun pads, cooling off in the jacuzzi or sitting at the shaded bar with a freshly mixed drink. Parasols and removable awnings on the spacious sun deck shade the dining table for a relaxed lunch of fresh fish grilled on the barbeque and served straight to the table. Head down to the beach club in the afternoon where the superyacht's crew will launch an impressive flotilla of watertoys and set up a shady table and comfortable chairs for spectators.

The main saloon and sky lounge have a warm, inviting ambience for both adults and children alike. The sky lounge, which is flooded with natural light, has a bar and extensive seating, leading out to the bridge deck with its large dining table, gym equipment and sun pads. The more formal main saloon and dining area is furnished with deep, luxurious sofas, large windows, a bar and dining table for 10.

## ACCOMMODATION

Flexible accommodation is provided in four equally-sized cabins and a master suite. The master suite on the main deck is furnished to a classic design and includes a study area, walk-in wardrobe, Power Plate exercise machine and en suite bathroom with jacuzzi bath. On the lower deck, a VIP cabin with a white marble bathroom and another en suite double cabin are located forward, while two twin cabins with striking rust-red marble bathrooms are aft. One of the twin cabins has the option of a pullman berth, making it ideal for children.
