DIANE

42.73m (140'2"ft) | 2007

DESCRIPTION

After her most recent refit in 2019 it is hard to believe that Diane was built in 2007 as she looks as good as new. Benetti's trademark finesse is still evident throughout with interior design by Francois Zuretti and exterior styling by Stefano Natucci. This special combination creates a truly unique yacht with timeless good looks and truly modern facilities.

Diane's decks are perfectly set up for chic outdoor gatherings and summer parties. Lazy summer afternoons can be spent in the exceptionally large fold-down beach club, or for something a little livelier, take one of the many water toys out for a spin.

Meanwhile, up top a Jacuzzi dip pool and wet bar create a chilled-out sundeck with a view, while a shaded dining area provides some respite from the midday rays come lunchtime.

Inside, light and dark wood cabinetry give a grown-up feel, the panoramic sky lounge is a luxurious place to be, and you can keep on top of your fitness in the on-board gym.

ACCOMMODATION

Accommodation for up to 11 guests is spread across five cabins, including an impressive Owner's cabin forward with his n' her sinks and an adjoining study, plus two doubles and two twins (all en-suite), with one Pullman berth.
