## DESCRIPTION

She was launched at Holland's SRF Shipyard in February 2013, built to the highest standards of engineering and craftsmanship. Hans Robben, the skipper, drew on his career as the owner of five star hotels and resorts on Curacao to design the voluminous interior space for total luxury.

The skillful blend of contemporary and Asian art compliments leather chairs and upholstered banquettes, creating a relaxing atmosphere. The deck saloon, lower saloon and aft deck offer beautifully appointed dining choices for savoring the outstanding cuisine prepared by your private chef.
