# DUKE

31.41m (103'0"ft) | 2010

## DESCRIPTION

Built by Azimut in 2010, M/Y Duke will have you captivated from the moment you see her and even more so from the moment you step on board. This striking 103 ft open not only offers amazing looks, vast amounts of deck space and a gorgeous modern interior but also offers a spacious fly bridge! It's silent and fast cruise, due to the Rolls Royce Kamewa jet engines, is another important plus of the yacht. All wood used on the outside deck areas is a light teak wood and all seating areas on these decks are covered with a subtle "Crocodile" cloth material in a fresh and light beige color. The main salon is radiant and bright due to the large glass windows and more so due to the part glass sunroof ceiling. Upon entering the salon you will immediately be struck by the beautiful tones of her interior, the use of rich, dark teak wood for the floor and other details, combined with the use of glass and accented with cream coloring. This dark wenge wood, glass and cream coloring is used throughout the interior yacht.

## ACCOMMODATION

She accommodates 8 guests in 4 cabins (1 Master, 1 VIP, 2 Twin cabins all with en-suite facilities).
