## DESCRIPTION

GATSBY is a classy Navetta 30 craft, designed by Pietro Mingarelli.

Featuring a fully customised layout over 3 decks, Gatsby's 30 meters feels like being on a 50-meter yacht. Her vast open-plan salon, elegant dining and 6 deluxe cabins including a dedicated owners deck are designed for space optimisation, comfort and indulgence.

Her eco-sustainable design allows for long sea journeys with minimal environmental impact thanks to the displacement hull, limited emissions and a great autonomy of water and fuel.

Perfect for personal or commercial use, Gatsby is currently one of the most in-demand charter vessels. She is a favourite amongst families and groups of friends alike due to her long list of features including indulging comfort and water toys.

Delivered in 2014, she has been meticulously maintained and is currently undergoing her latest refit.
