GENE MACHINE

39.62m (129'11"ft) | 2011

DESCRIPTION

Gene Machine was purchased new by her present owners. She has never been chartered. Gene Machine has proven to be an excellent family cruiser and has been maintained to the highest standards. All classifications surveys have been performed along with a stringent maintenance schedule on cosmetics as well as mechanical. She has just completed her yearly yard maintenance, bottom paint, etc.

Gene Machine is offered due to her owners interest in a larger family yacht. She is realistically priced and is ready to cruise for this summers new owners destinations.

A must see if you have been contemplating the purchase of a tri-deck motoryacht and don't want to go to the yard for 2 months the day of purchase.

ACCOMMODATION

Gene Machine offers accommodations for ten guests in five ensuite luxurious staterooms. The crew quarters consist of four staterooms, all with private ensuite heads with stall showers. The maximum number of crew is eight with six single and one double berths.
