GETAWAY

31.32m (102'9"ft) | 2009

DESCRIPTION

The size of the cabins is equal to those found on much larger yachts and consist of one very large master cabin with a California King size bed and three other double guests cabins. The flexibility to convert the two twin cabins into King bed configurations make this vessel an ideal option for four couples or families with children.

Light colour interior, all around windows in the saloon and natural light from the skylight in the corridor provides a very modern airy atmosphere. Comfortable dining is possible in the aft deck, salon and flybridge.

All cabins and the salon are equipped with TVs and entertainment systems but there is even a fold down TV in the aft section to allow guests to enjoy their favourite programs al-fresco. There are plenty of games and water sports available on board to be enjoyed throughout a charter.

ACCOMMODATION

Getaway accommodates 8 guests in 4 rooms, including a master suite, 2 convertible cabins. She also has 5 professional crew members who look forward to welcoming you on board.
