HANSE EXPLORER

47.75m (156'7"ft) | 2006

DESCRIPTION

With more than 25 weeks of adventure charters per year she is more experienced than any other yacht capable of visiting Antarctica. She is graced with modern MAK diesel engine which is highly fuel efficient and very reliable. This is not an average blue water cruiser, but a true adventure yacht. Not for sale to US residents while in US waters.

ACCOMMODATION

With seven staterooms, she accommodates up to 12 guests and boasts special features such as an onboard sauna.
