DESCRIPTION

Stepping into the main salon of Heartbeat you are greeted with a beautifully decorated interior and natural light from the large windows that surround. The spacious main salon provides an exemplary space for entertaining or relaxing with a large L-shaped sofa, marble countertop bar and formal dining. Whether gathering with friends or prepping for a delectable meal, the yacht’s galley with dinette seating provides a perfect layout.

Enjoy 360-degree views and wonderful visibility while lounging in the comfort of Heartbeat’s skylounge. With ample seating and a bar, this area acts as a second salon. Just outside, on the upper aft deck, is a spacious outdoor lounging area that is prime real estate for enjoying the alfresco lifestyle. The area boasts free standing furniture that can be arranged in the sun or shade. Perfect for alfresco dining or just relaxing, Heartbeat boasts a splendid aft deck.

ACCOMMODATION

Heartbeat accommodates ten guests in four lavish staterooms. Her full-beam master stateroom is spacious, rivaling those of a larger yacht. It creates a private oasis thanks to a centerline king-sized bed, large walk-in closet, desk/vanity and three large hull side windows that let in ample natural light. The master stateroom is accompanied by a marble en-suite bath with his-and-hers heads and a connecting shower.

The luxury yacht’s guest staterooms include a VIP stateroom, a stateroom with twin beds and a Pullman and a stateroom with two twin beds that can be converted into a single large berth and a Pullman. Each stateroom is complete with its own private en-suite bath with marble countertops. Heartbeat also has separate crew quarters with two staterooms.
