CHARTER

High Energy

27.00m (88'6"ft) | Sunseeker | 2010

Luxury Charter Yacht High Energy

Motoryacht High Energy became Sunseeker's largest charter vessel in the UK when it began its first season in 2010.

Delivered in the same year, the Sunseeker 88 has two decks perfect for entertaining both indoors and alfresco. The 26m sleeps eight guests in four cabins and has a day capacity of 12 and 35 when moored.

HIGH ENERGY

27.00m (88'6"ft) | 2010

DESCRIPTION

'High Energy' provides two capacious decks for entertaining. The saloon deck provides a large open plan dining and seating area, which opens up into a sizeable aft cockpit. This area can be laid for alfresco dining or simply be used as a comfortable seating area. The large, spacious flybridge provides a second arena for entertaining guests. This expanse has the advantage of an option of a hard top roof, to cover the main body and sides of the flybridge.

Combining these two decks provides the perfect venue to entertain guests, family, friends or colleagues.
