## DESCRIPTION

A rare edition to the charter market, JOY is a masterful collaboration of two yachting powerhouses; Bannenberg and Rowell for her exquisite exterior lines and Dutch pedigree yard Feadship realised her. Covering five decks, her expansive outdoor space goes unrivalled and adds to her appeal as a luxury charter yacht. Beautiful concave lines and the artistic use of glass creates perfect harmony between the exterior and interior making her an ideal yacht for summertime cruising. Specifically, pockets of air conditioned indoor/outdoor zones known as 'winter gardens' were created to further enhance this feeling of space.

Inside, Studio Indigo was responsible for her vibrant interior that includes an extremely flexible cabin layout sure to sleep 12 guests comfortably. With eight cabins, an elevator servicing three of the five decks plus an array of facilities dedicated to wellness (expect a large gym, spa room and on board masseuse), JOY will quickly establish herself as a popular yacht on the charter scene.

This season she will be found cruising the West Mediterranean before heading east to the Aegean and eventually finding herself sailing the awe-inspiring atolls of the Indian Ocean.

With a highly experienced and talented crew of 17, you can be sure that your every needs are exceeded while on board this prestigious new yacht.
