# LEOPARD 3

30.00m (98'5"ft) | 2007

---

## DESCRIPTION

In cruising mode, she offers space and comfort for six guests in three cabins, one large saloon and dining area, a cockpit table for lunches under the sun awning, and a wide sunbed area on the aft deck.

In race mode, she turns into a light super maxi that can compete with the fastest race boats on the circuit, demonstrating her pedigree once again by winning the Rolex Maxi Yacht Cup and the Voiles de St Tropez in 2016, after beating many world sailing records across the Atlantic and in the North Sea!

Also very succesful on the charter market, she is fully MCA compliant and has a very high annual revenue that makes her financially competitive all throughout the year.
