## DESCRIPTION

Classic balanced features with contemporary fittings and flowing lines help Letizia stand out at sea or in any marina.

With major refits in 2008, 2011 and 2014, she is in fantastic sail-away condition. Her sailplan together with a Lewmar Commander hydraulic system that controls all winches and outhauls make her easy to handle, even for a shorthanded crew. Both Rondal aluminum spars have hydraulic in-mast furling systems. Her October 2011 survey report is available.

S/Y Letizia boasts ample teak decks to enjoy. The main companionway leads from the salon into the guest cockpit with wrap around seating and a leafed alfresco dining table. Further aft, the helm cockpit offers additional seating; both cockpits have optional shade, if requested. Letizia has wide decks; when not under sail the foredeck is perfect for sunning or simply relaxing. A large Bimini-covered center cockpit is the exterior social hub of the yacht with ample space for entertaining, dining or enjoying the scenery.

---

## ACCOMMODATION

A VIP cabin forward of the U-shaped sofa on port side has a big comfy double bed with a Pullman accommodating three guests. An en-suite bathroom completes this spacious cabin. Aft of the sofa area is the guest cabin with twin beds and en-suite bathroom facilities. The full-beam master stateroom with large seating area and king-size bed also has a lavish en-suite toilet and separate shower.
