25.00m (82'0"ft) | Chantier Multiplast | 1996

Luxury Charter Yacht Magic Cat

Sailing yacht Magic Cat, built in 1996 by French shipyard Chantier Multiplast, is one of the world's fastest cruising yachts, making her ideal for several-stop charters in the Mediterranean. The 25m luxury catamaran was built in the same manner as a custom racing yacht and can sleep eight guests in four lavish cabins.

MAGIC CAT

25.00m (82'0"ft) | 1996

DESCRIPTION

Luxury catamaran Magic Cat was designed to cater to private use as well as charter and following an extensive refit in 2009, she has re-emerged on the charter market in pristine condition. Her interior was completely redesigned by Franck Darnet, with the cabins, cockpit, and bar area receiving a complete overhaul.

Her race-worthy build ensures she is able to sail faster than the wind and is often seen cruising at a speed over 25 knots. Even in light winds of only five knots the luxury yacht can sail at nine knots. Featuring a dedicated crew of four headed by her original and hence highly experienced captain, she is an excellent charter yacht for luxury vacations.
