26.00m (85'3"ft) | 2008

DESCRIPTION

She has two stabilizing systems on board, an anti-rolling system — developed by Ferretti for stabilizing while at anchor — and a Trac fin system for when underway. These systems make her an extremely stable boat.

Malvasia is both comfortable and spacious, ensuring her as a fabulous charter yacht. Malvasia has a charter permit for Spain and the Balearics. Malvasia has only had one owner from new who has maintained her to exceptionally high standards. She has an explorer-style appearance; yet, she is more elegant than typical explorers.

Malvasia’s contemporary interior is decorated in a Mediterranean style with light wood paneling, wooden floors and creamy upholstery on all furniture. The ambient light and this calm relaxing atmosphere are very inviting. The main deck offers a sumptuous salon. The upper deck features an enclosed pilothouse and aft deck with seating area with, icemaker and barbecue. Her uncovered decks offer ample space for lounging and sunbathing.
