MARIA ALBA II

29.50m (96'9"ft) | 2000

DESCRIPTION

Most of her modifications have been aimed at improving her usability as a cruising yacht, but a strict weight budget of one ton was adhered to in order keep her original sailing characteristics. Her teak decks and engine were replaced in 2012. In recent years, Maria Alba II has undergone only light use — more or less day sailing from her homeport.

ACCOMMODATION

Maria Alba II can sleep up to a maximum of six guests in her luxurious three stateroom layout. She also fully accommodates for crew in separate crew quarters ensuring privacy as well as a luxurious experience whenever on board.
