MARLINDA

40.30m (132'2"ft) | 1989

DESCRIPTION

Luxurious and traditional, Marlinda's interior showcases stunning raised-and-fielded Honduran mahogany wood paneling throughout and coffered ceilings in the formal areas. Her main salon and skylounge are the ideal spots for gathering and enjoying time with family and friends while her library provides a private space to sit back and relax.

Aft, luxury yacht Marlinda has a spacious and comfortable climate controlled California deck with ample seating that has the ability to become completely enclosed, allowing for use regardless of the weather.

In 2000, the yacht received an extensive \$12 million refit that lasted more than two years and brought new life to the yacht. During the refit, the engine room was completely rebuilt, the cockpit received modifications, the flybridge was added and a bulbous bow was added, just to name a few. Since then she has been consistently updated including a 2014 refit and updates made in January 2018.

ACCOMMODATION

Accommodating six guests in three beautifully styled staterooms, Marlinda provides a peaceful oasis for guests. Her expansive master stateroom features a king-size bed, custom desk and en-suite bath complete with dual marble vanities, a large soaking tub and marble shower. Her additional guest staterooms are identical with twin beds and en-suite baths.
