MIRABILIS

33.00m (108'3"ft) | 2018

DESCRIPTION

Custom built to her discerning owner's exact specifications, Mirabilis is defined by her large volumes with guest spaces and cabins equivalent to those on a 40-metre yacht. Her design was based on the yard's popular Navetta 33 model, with bespoke elements and alterations then applied to fully customize the vessel. Mirabilis features an efficient semi-displacement hull, 25ft beam, five voluminous staterooms, bright open spaces that showcase an incredible collection of art, and exterior spaces that rival any 40 metre yacht in the world. Powered by twin 1,622hp Caterpillar C32 engines, Mirabilis reaches maximum speeds of 16 knots and cruises at 13 knots with a range of 1120nm. Perfect for relaxing, entertaining, exploring beautiful anchorages and more, she is a true all-rounder that is sure to please anyone looking to buy in this popular size bracket.
