## DESCRIPTION

Designed to cruise in lavish comfort and classic elegance, Miraggio is a spacious, tri-deck yacht with incredible cruising capabilities. Her rich heritage traces back to 1988 Italy, where she was crafted by renowned luxury yacht builders Siar & Moschini.

A collaboration between Studio Bacigalupo and Franco Anselmi Boretti, Miraggio's enduring build combines advanced technology, sophisticated construction, impressive teak woodwork and timeless design. Styled by Daniela Leusch, her interior is finished in rich mahogany and is well-equipped with beautiful furnishings, amenities, and entertainment facilities.

Recently, Miraggio underwent a multi-million euro makeover, which was done partially in Asia and extensively in France. In La Ciotat, Monaco Marine installed her with Zero Speed stabilizers. In addition, Miraggio was furnished with completely new interiors, appliances, and entertainment facilities.
