MISS SILVER

36.12m (118'6"ft) | 1995

DESCRIPTION

At 36.12m, S/Y MISS SILVER represents an incredible fusion of superyacht design and architecture. Delivered in 1995 to an experienced owner and cherished for many years until 2019, MISS SILVER has had only two owners since new.

Renowned for building beautiful, high-performance, custom sailing yachts, New Zealand-based shipyard Alloy Yachts achieved just that and more with this stunning 36-metre. Featuring design from Dubious Naval Architects and Redman Whitley Dixon, MISS SILVER is the perfect combination of elegance and high performance.

Following years of love, in 2021 MISS SILVER returned to New Zealand to undergo a comprehensive, multi-million-dollar refit. To her exterior, a full repaint was completed, and she was fitted with new decks, sails, helm stations, control systems and bright work. Inside, her refit included new joinery, fabrics and furnishings, and the installation of top-of-the-range audio, visual and IT equipment and a brand-new galley.

ACCOMMODATION

MISS SILVER can accommodate up to eight guests in four cabins; she offers the perfect vessel to explore new destinations, with a crew of five providing the highest level of personal service.
