MUSIC

34.70m (113'10"ft) | 2012

DESCRIPTION

She represents a unique opportunity for anyone looking for essentially a “new” yacht at a very attractive price.

She features a very spacious, functional layout with accommodations for eight guests in four large staterooms and five crew forward in complete comfort. From her bright and airy salon, companionways forward reach the VIP cabin to starboard and to port to the galley and crew area. Another companionway aft leads to the master and guest cabins as well as up to the large protected cockpit deck.

ACCOMMODATION

She is well suited for both long-range cruising and day sailing in total comfort thanks to her very large and protected cockpit, full beam raised salon and generous guest accommodations for eight. Her simplified controls and well thought out engineering mean easily handling and a unique tender garage and swim platform, which transforms into a “teak beach” at the push of a button, make water access incredibly easy. Music is pleasure to show and a delight to sail, in all wind angles.

TENDER & TOYS

2 TransOcean 12-person life rafts
