MY LADY

30.48m (100'0"ft) | 2001

DESCRIPTION

My Lady can welcome up to 10 guests in five beautiful and spacious staterooms. Rare for a yacht her size, the master is located on the main deck in prime position. Further cabins include the VIP, one Queen and two twins. Her interior is classically styled, using warm cherry woods and luxurious furnishings, and a wide beam ensures generous spaces throughout the vessel.

The large main saloon is a welcoming space, with comfortable seating and a full entertainment system. The main saloon connects directly out to the enclosed air-conditioned main aft deck (which can also be opened), a full dining set up and bar. Stepped access leads down to the transom, which serves as a base for water sports and swimming. Stairs lead up to the flybridge, which is shaded by a new bimini top, that is home to a dinette, seating, sun loungers for relaxing, and storage for tenders.

Her shallow draft of just 5'9" (1.75m) makes her ideally suited to cruising the Bahamas and other shallow cruising grounds. Powered by twin CAT 3412E 1400HP engines, she cruises at 14 knots and can reach maximum speeds of 20 knots. An ultra-modern stabilization system ensures high comfort levels. Well maintained since her launch, recent work has included the new bimini top and the installation of non-skid painted flooring on foredeck.
