DESCRIPTION

Her availability and pricing offer her as one of the most viable options for the next entrepreneur in the Tall Ship charter business. Recent refit to most systems and cosmetics offer her in need of nothing except a new home port.

On deck, Mystic has numerous seating or lounging options for guests. She likely will best suit the charter trade of the US Coastline. Alternatively, she may be used as a high-end training vessel or school ship. She has versatility in overnight accommodations for paying guests or day charter use. She is easily managed by 12 crew and all of her maintenance and certifications are up to date.

ACCOMMODATION

Mystic features numerous recent upgrades to her interior amenities now offering a warm cottage-like atmosphere as opposed to the norm of a working ship. Mystic also has a classic woody finish with upscale furnishings and Nantucket styling. Mystic has 2 VIP en suite cabins, 15 double guest cabins utilizing 4 shared head and shower areas for a total of 32 overnight guests. Mystic also has a 150-passenger certification for day use.
