NAMASTE

41.00m (134'6"ft) | 2008

DESCRIPTION

The first, noticeable as soon as you approach her, is the attractive "cappuccino" colour of her hull which accentuates her lines and hints at the earth tones and associated ideas evident in her interior.

The talented designers at Tamsen Yachts have created a yacht with a length of 40 meters - 131 feet, with deck areas and interior spaces which give the feeling of a much larger vessel. This was partly achieved by providing particularly generous headroom on the main and lower decks which, for example, in the main saloon at 2.47m easily surpasses that of many recent yachts of 50m and above.

Namaste's contemporary Asian interior decoration is a testament to the origins of her name. The natural woods used in her joinery combined with the creams and browns of leathers and fabrics create a backdrop for the prominent oriental features placed at focal points around the yacht. Overall the atmosphere is serene and light thanks to the huge windows, the clever use of large glass panels in ceilings and floors and even an opening skylight in the upper lounge. Spaces are generous not only for the guests, but also, "below stairs" in the working areas of the yacht such as the galley and crew cabins.

ACCOMMODATION

Namaste is comprised of five staterooms including an on-deck master suite with a king bed, walk-in closets, wet bar, and office. The master bathroom includes a Jacuzzi tub and separate shower. The four guest staterooms are located on the lower deck and are configured with two double beds in two rooms. There are also two additional guest staterooms with a single and double bed located in both.

TENDER & TOYS

Year:	2008
Flag:	-
MCA:	Yes
Class:	-
Hull NB:	41-01
Hull Colour:	-

Dimensions

Length Overall:	41.00m (134'6"ft)
Length at Waterline:	-
Beam:	8.60m (28'2"ft)
Draft (min):	-
Draft (max):	1.65m (5'4"ft)
Gross Tonnage:	360 tonnes

Accommodations

Guests:	10
Cabins Total:	-
Cabins:	-
Crew:	8

Construction

Hull Configuration:	-
Hull Material:	GRP
Superstructure:	GRP
Deck Material:	-
Decks NB:	-

Engine(s)

Quantity:	2
Fuel Type:	Diesel
Manufacturer:	MTU
Model:	16V 2000 M93
Power:	4800hp / 3579kW
Total Power:	9600hp / 7159kW
Propulsion:	Twin Screw

Performance & Capabilities

Max Speed:	30 kts
Cruising Speed:	-
Range:	-
Fuel Capacity:	33,000.00 L / 7,258.98 USG
Water Capacity:	6,000.00 L / 1,319.81 USG

Equipment

Generator:	
Stabilizers:	-
Thrusters:	-
