DESCRIPTION

The salon features Versace covered couches, large LCD TV's, and copious custom extras. A new white wood floor has replaced the carpet. Forward of the galley is the family room with a large 60" TV and a plush custom sofa. A formal, custom etched-glass dining table seats eight. The view forward through wide, wrap-around front windows is spectacular. However, this room with custom shades and LED lighting transform it into a great movie/media room.

ACCOMMODATION

Four staterooms each provide private, en-suite baths and include an expansive full-beam owner's suite, a full beam VIP stateroom, and two spacious guest staterooms (one with twin berths and the other with a queen berth). A jacuzzi is just one component of the upper deck's abundant entertainment amenities.
