PARAGON 92

28.12m (92'3"ft) | 2015

DESCRIPTION

Paragon Motor Yachts are known for being extremely smooth and quiet sea-going yachts. This is a great platform for a hands on owner and/or set up well for charter with 3-4 crew with two private entries.

Single level flybridge with access from the pilothouse or the aft deck via molded in stairwell. Open fly bridge with L-settee, sun lounge, bar, and U-settee dinette with a large boat deck for up to 18' tender plus toys. Cockpit has tow package installed with oversized tow-bits and built in stowage for the tow lines.

ACCOMMODATION

Four staterooms with a private entry to the mid-ship full beam master with its own full size washer and dryer. The main deck is nice and open with an excellent galley for the chef featuring a Dutch door with access to the covered side deck. The pilothouse has two Stidd helm chairs and a large U-settee dinette.

The area can be completely closed off from the galley and main deck when wanted, along with port and starboard sliding doors for quick and safe access to side decks and bow settee. Salon bar services the aft deck and cockpit mezzanine seating.

ELECTRICAL SYSTEM

LED interior overhead lighting throughout interior
