DESCRIPTION

Cruising the world, Praxis has always been exceptionally well maintained by a strong history of experienced Yachtsmen/ Owners, each of whom continually updated and refit her on a regular basis.

ACCOMMODATION

Amidship on starboard side is a stunning two level marble entrance hall going aft to salon, forward to master and up the grand stairway to the sky lounge and wheelhouse. The sky lounge has been elegantly decorated with large chairs and a very comfortable L-shaped settee.

This area is stunning with the satin finished, hand rubbed, cherry woodwork and large panoramic windows. This sky lounge easily converts to a theater viewing area when the blinds are closed and the 60" plasma TV, with surround sound, is lowered from its concealed area in the overhead.

There is no better place to view your favorite movie or sporting event! Aft, through the double doors, is the outside lounge area with retractable awning. Further aft is the tender storage area that can be completely cleared with removable chocks and turned into an area that can entertain a very large party. Forward of the sky lounge is the radio room, pilothouse and captain's cabin.
